

Name \_\_\_\_\_ Student Study Guide

**Episode 203 – Risky Ranching  
Florida**

1. Gatorama is an example of agri-tourism, meaning that its agricultural resources attract visitors. What agricultural resource does this farm use, and why do people come to see it?

---

---

---

---

2. Why was the alligator “Goliath” placed in his own separate pen?

---

---

---

---

3. There are many differences between a ranch and a farm. Describe one way that Gatorama is like a farm:

---

---

---

---

4. Profits for the farm come from eighty percent \_\_\_\_\_ and twenty percent \_\_\_\_\_.

5. List three products that an alligator’s hide can be used for to generate income for the ranch:

\_\_\_\_\_, \_\_\_\_\_ and  
\_\_\_\_\_.

6. Visitors say that alligator meat tastes like \_\_\_\_\_.
